Section page

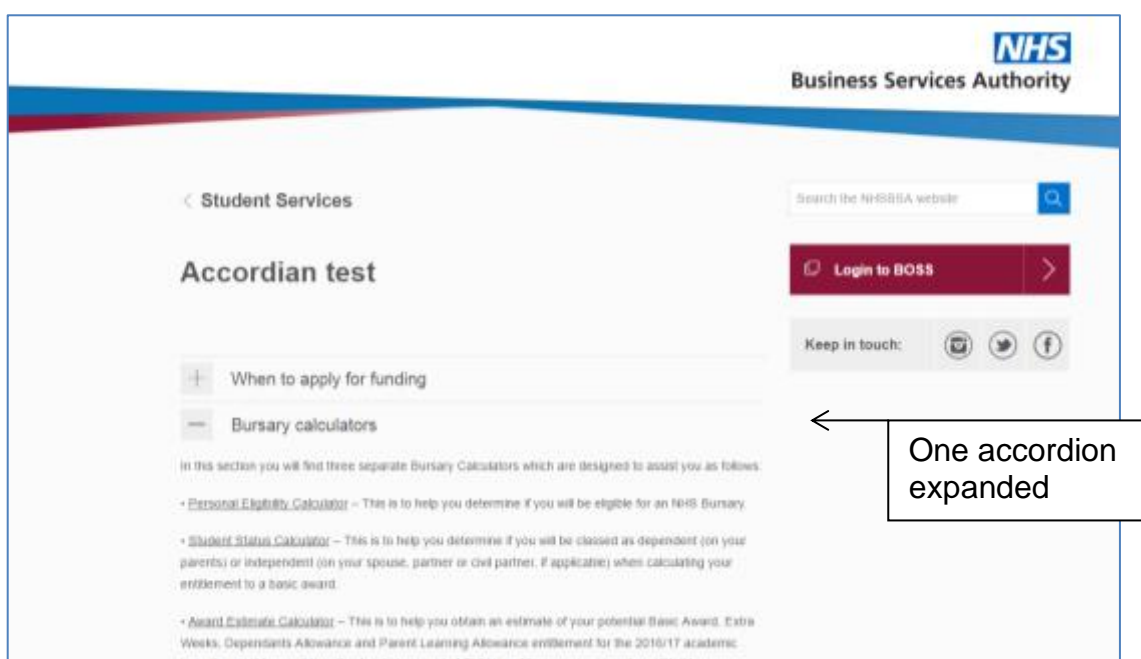

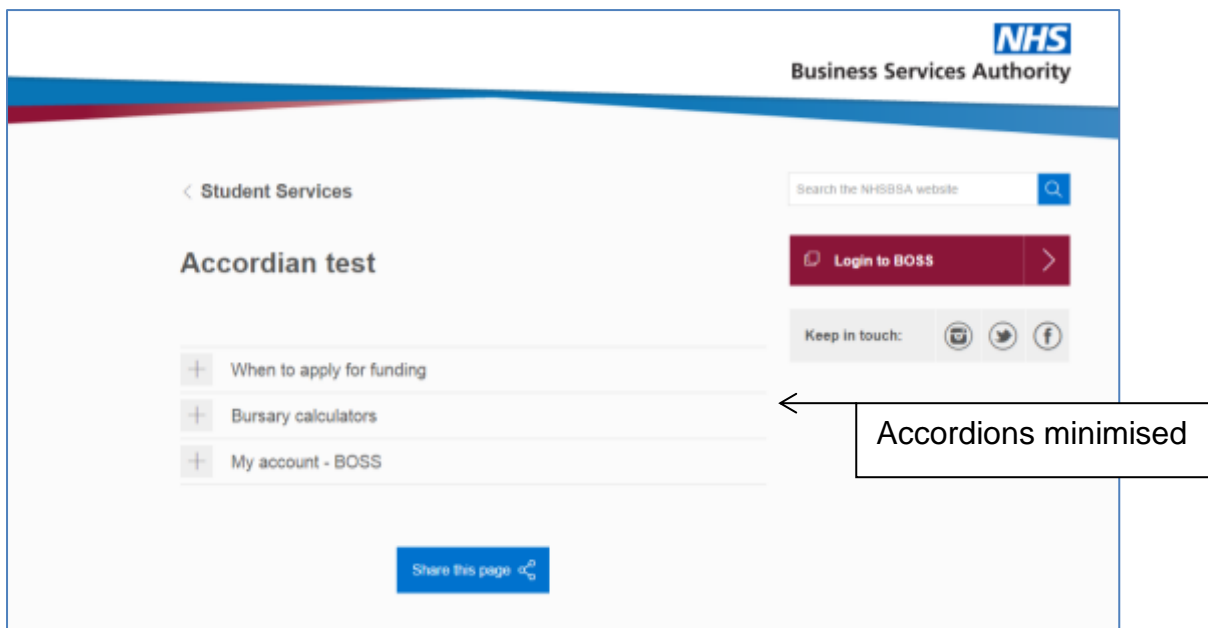

Content page

The screenshot shows the NHS Business Services Authority website for Student Services. The page layout includes a header with the NHS logo and 'Business Services Authority' text. Below the header is a navigation bar with 'Student Services' and a search bar. The main content area is titled 'When should I apply for funding?' and contains several sections: 'Standard starters (non-medical / non-dental)', 'Non standard starters (non-medical / non-dental)', 'Medical / dental students', and 'Important guidance'. A sidebar on the right contains 'NHS Bursary students', 'When should I apply for funding?', 'New students (non-medical / non-dental)', 'Continuing students (non-medical / non-dental)', 'New and continuing medical / dental students', 'Login to ROSS', and 'Keep in touch:'. The footer contains 'Related links', 'Resources', 'Bursary fraud', 'Customer charter', 'Reports', and 'Service footer'. The page is annotated with several boxes and arrows pointing to specific elements.

Annotations:

- Link list:** Points to the 'Related links' section in the footer.
- Service footer:** Points to the 'Bursary fraud' section in the footer.
- Footer menu – top links:** Points to the 'NHS Business Services Authority' link in the footer.
- Resource list:** Points to the 'Resources' section in the footer.
- Customer charter:** Points to the 'Customer charter' section in the footer.
- Reports:** Points to the 'Reports' section in the footer.
- Question block:** Points to the 'Got a question?' section in the footer.
- Related row 1:** Points to the 'Got a question?' section in the footer.
- Related row 2 is also an option within a content page but is not shown in this screenshot:** Points to the 'Got a question?' section in the footer.
- Footer menu – bottom links:** Points to the 'Terms & Conditions', 'Privacy Policy & Cookies', and 'Data protection' links in the footer.
- Link block:** Points to the 'Login to ROSS' link in the sidebar.
- Follow block:** Points to the 'Keep in touch:' section in the sidebar.
- Sidebar items:** Points to the 'NHS Bursary students' section in the sidebar.

When to apply for funding

The timelines in each section below show when you can make an application for NHS Bursary funding or funding from Student Finance England in 2016, and what your deadlines for these are.

Bursary calculators

In this section you will find three separate Bursary Calculators which are designed to assist you as follows:

- [Personal Eligibility Calculator](#) – This is to help you determine if you will be eligible for an NHS Bursary.
- [Student Status Calculator](#) – This is to help you determine if you will be classed as dependent (on your parents) or independent (on your spouse, partner or civil partner, if applicable) when calculating your entitlement to a basic award.
- [Award Estimate Calculator](#) – This is to help you obtain an estimate of your potential Basic Award, Extra Weeks, Dependents Allowance and Parent Learning Allowance entitlement for the 2016/17 academic year. It cannot be used to estimate what amount of Childcare Allowance you may be entitled to.

The information/advice produced by any of these calculators will depend entirely on the figures you put into them, so you must be careful about accuracy if you are to get meaningful results.

Please ensure you **do not use any commas when entering your figures** as this will result in inaccurate estimates being produced e.g. you should enter £30,000 as 30000.
